Welcome

Welcome to the ArtsLink Autumn Programme. The Autumn is often a time of new beginnings and this term has a lot to offer anyone seeking to learn a new skill, re-explore old creative interests or just be inspired by something new! Our professional artists and tutors will guide you through a myriad of techniques and opportunities that exist in a range of visual and applied art mediums. With small, friendly and supportive classes this could be your chance to see your talents flourish.

We are pleased to announce that now running alongside our arts education programme is the new ArtsLink Fizz! project. Funded by the National Lottery, ArtsLink Fizz! offers supportive sessions to local people who are living with memory loss, Parkinson's disease or are parents in families experiencing additional challenges.

We look forward to continuing to support you in your creative adventures.
