James is a graduate in Fine Art whose professional work has included 10 years as a commercial artist. He has undertaken many private and business commissions, is a regular local exhibitor and has most recently been appointed Artist in residence for the Sherborne Abbey Festival. His personal art practice focuses on portraiture and figure studies, working mainly in oil, charcoal and pastel.

Course Description: Develop the skills experienced artists use every day. Drawing is really about learning to see, and this course is devised to guide you through the various methods of understanding what we see and recording it on paper.

The structure will consist of two week projects, comprised of practical demonstrations and some fun/challenging exercises to guide you through the fundamental disciplines required to produce a satisfying drawing.

These include:

Drawing elements – Mark-making for line, tone and texture.

Proportion – Methods for achieving accuracy.

Composition – Arranging the elements of the picture for balance and harmony.

Perspective – Create the illusion of distance.

Expression – Using mark-making to express non visual ideas e.g. weight or movement.
