# Welcome

We hope you are inspired by one of the varied creative groups offered in our Autumn 2018 programme. Joining a group can provide you that special time, just for you, without any distractions. You can explore techniques, engage with your own creativity, learn from skilled and talented tutors, all in a friendly, supportive group environment.

We all continue to experience rising costs, and ArtsLink is no exception. Whilst we have made a modest price increase we hope you will continue to join us in the Autumn to enjoy, learn and release your inner artist – see our new Tuesday evening course with James Budden!

All the weekly courses and one day workshops in this programme are subsidised by an annual grant ArtsLink receives from West Dorset District Council. The move to a unitary authority means the loss of this grant from April 2019. We are working hard to put other plans in place to enable us to continue offering our programme of community engagement. This is a challenging time for our charity and your support, in any form, is needed more than ever.

We wish you a wonderful summer and an Autumn full of creative adventures.
