Course description

This is an exciting opportunity to developing your drawing skills in relation to the basic elements of figure drawing. During four of the nine sessions there will be a live model, with five further sessions providing a greater opportunity to look at important aspects of drawing practice, as well as figure drawing, away from the pressure of the model.

Suitable for beginners to intermediate levels of figure drawing, and especially suitable for anyone who wants to build their confidence before taking on the challenge of life drawing or portraiture.

What to bring: The term programme (distributed at the start of each term) will provide greater information as to materials required for each session, but please bring some basic drawing materials to have ready. Please do not buy too much in advance. Often students learn what to get and where from each other, and the tutor.

- Variety of paper sizes from A2 to small sketch pads (smooth paper works best with charcoal)
- Masking tape
- Putty rubbers (grey type seem better)
- range of drawing materials - charcoal, conté, chalk and soft pencils 2B-8B (charcoal is more forgiving for beginners than even soft pencils)
- board if you have them and clips/tape to hold down paper
- cloths or wipes and suitable clothing - may get dirty/stained

Refreshments: Tea and coffee is provided.

Parking: Unfortunately there is no parking at this venue (except for the tutor and model), so please comply with this and use the nearby public car parks.

Refunds: A refund will only be made if a booking is cancelled within 14 days of the *booking* date, unless the booking is made within the 14 days prior to the activity date, in which case no refund will be given. If ArtsLink cancels an activity we will refund your payment in full. If a tutor is not available as planned, ArtsLink may provide a substitute tutor, in which case no refunds will be made. Refunds may incur a fee for administration. Tickets for trips, events and performances are non-refundable.
