Welcome

“Creativity is contagious, pass it on”. Sharing ideas, techniques and inspiration with others is ArtsLink’s raison d’être. Whether it is through weekly classes, a one day workshop, a lecture, a visit to an exhibition or show our role is to share and link you to the arts and creativity. We hope you will leave our activities feeling inspired and keen to continue your creative journey, in turn sharing it with friends and families, thereby helping to pass creativity on.*

The highlight of this summer period will be **Celebrating the Arts on Saturday 23 June 2018** - a day of talks, activities, demonstrations and displays, showcasing ArtsLink students and tutors, their work, the activities we run and the wider artistic community. We hope that you will all either take part or visit this celebration event.

In addition, many of our tutors will be exhibiting as part of Dorset Arts Week this year, so please do keep an eye out for them and support their exhibitions. We will keep you updated on this and other events in our monthly ArtsLink e-Newsletter.
