Welcome

With the light changing, the days lengthening and the promise of growth, warmth and sunshine we are ready to embrace the Summer term. We want to re-stimulate your creative juices and offer many opportunities for you to unfold your wings and fly through a summer of colour, learning and friendship.

We welcome Diane Summer to our team of talented tutors. She will help you find ways to cope with that daunting 'Blank Canvas' moment in her talk on 11 May plus during a one-day workshop 'A Painting in a Day' on 1 June. She will also tutor the Enjoying Acrylics course on Wednesdays.

We are delighted that Alex Cree is returning to us. He will offer a course designed to give you the confidence to take your sketch book out and about, to draw outside and capture those scenes and moments that you can later turn into exciting images and paintings.

Building on the success of last year's event we are holding "Celebrating the Arts" on Saturday 22 June. This offers our students a chance to exhibit their work and will again include talks, artist demonstrations plus activities. We hope to see you there and celebrate together.

We look forward to sharing more enriching experiences with you during the Summer.
