Activity 3 – Still Life – Fruit & Veg!

- Wax crayons
- Watercolour paints
- White paper
- Fruit & veg!
- Black pen
- Pencil & rubber

This week we are all going to have a go at a still life! Eeeek!!!! Raid the fruit bowl, salad or vegetable drawer or a vase of flowers if you have some! You might like to use wax crayons as a resist and watercolour paints. Draw into it - use a black pen, if it is waterproof you should be able to paint over it too but test it first! As ever, these ideas are only a starting place, enjoy yourself!

Enjoy yourselves – don't get too bogged down worrying about 'getting it right' – this is all about having fun! Maybe someone else at home would like to join in and then you can share your work once you are finished.

If you would like to share what you have done we are on Facebook as @ArtsLinkFizz so do find us and share a photo of your work to our page.

Image this week is Still Life with Sugar, 1890 - Paul Cézanne. Cezanne (1839-1906) is one of the most famous artists in history for painting fruit still life.

Paul Cézanne - National Gallery of Art
