

# Art at Home

ArtsLink

## Activity 10 – Summer...

- Any and all art materials!
- White card / sketchbook

Get that summer vibe...

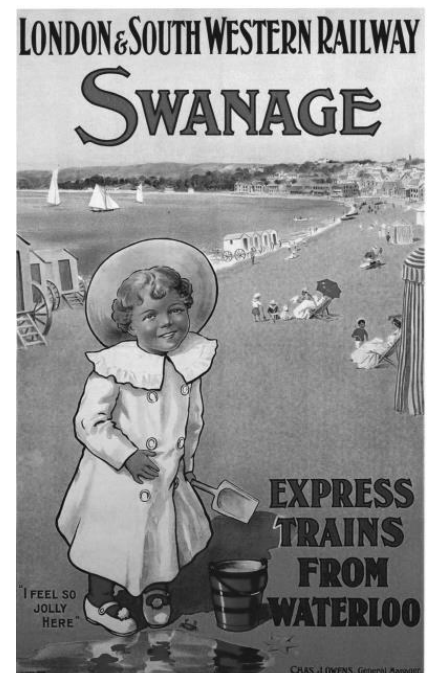

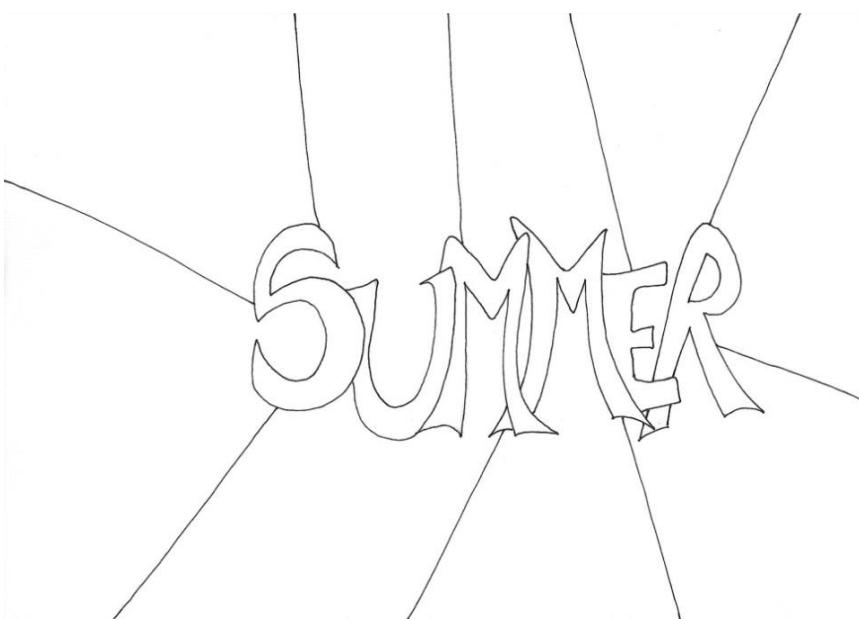

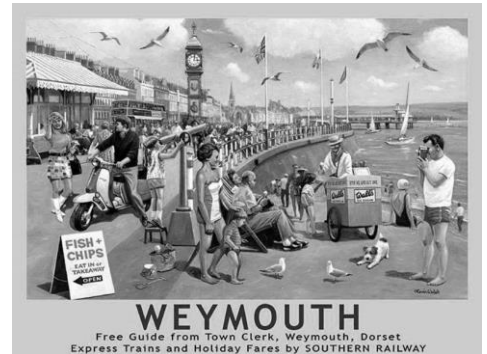

We are thinking retro here, vibrant colours and graphic posters.

Have a look online for retro posters – Richard Watkin creates some beautiful ones

You might like to use our suggested template and add images to your poster that remind you of sunny days into each section making use of any materials you have at home – paints, coloured pencils, collage... make it vibrant and colourful! Deckchairs, ice-cream, sailing boats, kites, picnics, beach balls, summer flowers, sunshine, swimming, ocean fish...

As ever, if you would like to share what you have done we are on Facebook as @ArtsLinkFizz so do find us and share a photo of your work to our page.

Brought to you by ArtsLink and the ArtsLink Fizz! team.
